

KEMPSFORD CAMPING 2018

Electrical Hook-up - Application

Pitch holder name:.....Post Code.....

Tel/Mobile/Email:.....

Hook-up Cost: £45 per pitch – *restricted to maximum 1 hook-up per pitch*

Vehicle Registration:

Please note we have limited electric hook-ups available and huge interest. In order to reserve your hook-up **please return this booking form and payment with your Kempsford Camping pitch booking form and payment.**

The Electricity provided is a temporary supply via diesel generator; therefore we cannot give a guarantee of continuity of supply at any stage. We will of course do our very best to keep supplies running but those of you who intend to rely on the supply for purposes such as medical equipment must be aware of the possibility of interruption.

It is your responsibility to ensure that all electrical equipment within your accommodation is tested, safe and fit for purpose.

Pitches with electric hook-ups will be situated in rows close to the ablution blocks.

The electricity will be supplied **from the end of the day on Monday 9 July.** The supply will be **switched off during the morning of Tuesday 17 July.**

In order for your application to be accepted you must sign this form.
